TWO VIEWS of new Westmoor High school show progress being made on $2,000,000 structure, scheduled to be ready for opening September, 1957. Troubles have been encountered, however, in construction of walls for the mammoth project. Because of a process used in pouring cement between two or three layers of brick, the material wasn't bonding sufficiently to sides and failed state inspection. As a result, one entire wall had to be torn out and filled in with gunite. New Process of pouring concrete has proved adequate, however, according to school officials. But architect Allyn Martin has warned contractors that "any further masonry failures" will result in full demolition of the faulty walls, at contractor's expense.

TRUSTEES REFUSE READMISSION OF 'UNDER-AGE' FIRST GRADER

Acting on recommendation of the district attorney, Jefferson Elementary School District trustees unanimously Wednesday night to deny readmittance of an "underage" student to the first grade at Woodrow Wilson school despite stormy protests by his parents and their attorney.

Mr. and Mrs. Harold Lawrence, 598 Niantic avenue, pleaded with the board to make an exception to the rule, but Superintendent H. Z. Weibel advised them the district has no authority to bypass the state law on the matter.

The mixup developed when the Lawrence child was mistakenly promoted to the first grade after completing kindergarten here last summer. When the district registrar discovered the boy lacked two months of attaining the legal age to enter the first grade, the district ordered the child to withdraw from Woodrow Wilson. At the same time, the parents were advised their son could attend kindergarten here.

In urging the board make an exception because of the "mutual error," the Lawrences claimed that the boy was suffering "physically and mentally" because of the edict to quit school. The child's father contradicted Weibel's stand, claiming that the district attorney "assured me that the board could make an exception."

The superintendent reminded the Lawrences he had contacted their physician as requested, and said the latter indicated the child's health was not in jeopardy by missing school. Joseph McGovern, attorney for the parents, however, maintained that the family doctor "had verified the child was suffering as a consequence."

While expressing regrets and sympathy to the Lawrences, the board stood pat on its ruling, indicating that an exception would create a precedent leading to future headaches in similar cases.

Trustees denied the exception by a 3-0 vote. Absent from the meeting were board members Joseph Lewkowitz and Henry Kraus.

Daly City policemen and firemen were prohibited from joining any labor organization in a resolution passed Monday night by the city council before a jam-packed chambers of 100 persons, most of them city employees.

Holding in the resolution that "a divided responsibility would occur" should police and firemen participate in labor union activities, the council approved the measure, 4-1, with Councilman Sanford Vickers casting the lone negative vote.

The council's action came after lengthy protests by J. J. Quill and Harry Crocker, attorney and executive secretary, respectively, for the Peninsula Public Employees Council.

In urging that police and firemen be allowed to join the newly-created Daly City Local 919, American Federatio nof State, County and Municipal Employees, Quill asserted that to pre-empt the two groups from membership would be a "gratuitous afront to organized labor. There's no need for it."

Cite 1947 Case

The city base its stand on an interpretation by City Attorney Frank Blum of the 1947 Perez case in Los Angeles district court of appeals, which held that police could not be allowed membership in a union organization and that for the city to allow them to do so would constitute a "derelection" of duty by the council.

Quill charged that the case had no merit, since a more recent ruling in 1949 held that city employees with civil service status could not strike, picket or engage in collective bargaining, thus elminating any potential conflict which the council might object to.

Quill also maintained that Blum's interpretation of the Perez case that it was the council's "duty" to prohibit membership by police and firemen was "not correct. This is dictum by the court and has no legal standing."

"Unnecessary Restriction"

"If you think police and firemen are not second class employees and are entitled to representation then don't pass this unnecessary restriction," concluded Quill.

Councilman Paul Hupf took the initial stand for the council, stating that, "I feel policemen and firemen must be maintained as separate groups. Their allegiance must be to the city only. He then moved adoption of the resolution, receiving a second from Councilman Del Wilson.

Vickers announced his opposition to the resolution in a two-

Parents Again Cite Pershing Annex 'Woes'

Public protest on "sub-standard" conditions at the General Pershing school annex, 659 Hanover street, continued to plague Jefferson Elementary School District trustees Wednesday night as two more parents sounded complaints about welfare of third graders housed in the building.

L. E. Yule, 263 Alexander avenue, and Leo Massoni, 291 Roosevelt avenue, urged the board to take immediate action "to provide adequate toilet facilities" at the annex.

Yule, citing that youngsters had to walk more than 150 feet to use the main buildings toilet facilities, criticized the board for not taking previous action to install toilets either inside or next to the building.

He charged that making youngsters leave the annex to reach toilet facilities constitutes a definite health hazard.

Superintendent H. Z. Weibel answered that the district realizes the problem and is making every effort to alleviate the matter. He reminded protestants that the problem not only involves the annex but the main building as well.

Weibel recalled that the district two months ago was faced with the decision of calling double sessions or eliminating them by using the annex as a temporary site. "We believe we have done the right thing, and we're making every effort to improve the annex," he said.

The superintendent reminded

Board Awaits Findings On Jeff Safety Check

Much-anticipated results of the state's safety inspection of crowded Jefferson High School will be available within the next few weeks, Superintendent Edward D. Morgan of the Jefferson Union High School District told trustees Monday night.

Giving the plant a thorough going-over last week were Joe Hill, San Francisco office of the state fire marshal's office; state division of school house planning representatives, district officials and the Daly City fire department.

Preliminary Move

The survey was made as a preliminary step to the district's asking for state aid within the next three or four years for educational facilities. The state fire marshal is expected to recommend additional safety factors, such as more exits, and to cite how many students can be safely housed in the school.

Morgan urged the investigation so that the temporary classrooms will not be included as classroom space, thereby counting against the district when applying for state aid.

Hill and his inspecting party made a brief check of the plant Monday, then returned the next day for a top-to-bottom tour of all facilities.

Edgemar Road

Topping Monday's trustee meeting was their recommendation that the superintendent confer with City Manager Howard Stites and the Zita Corporation regarding installation of sidewalks on Edgemar road east of the Westmoor High School site. The McKeons plan to grade and resurface the road before the winter rains.

In a letter to the board, Stites

B'moor Cops Plan Curfew Crackdown; Urge Law Revision

In announcing a crackdown on juvenile disturbers to begin this Friday night, Broadmoor Police Chief Ray Savage today revealed his plans to request a change in the county curfew law.

At present the ruling prohibits juveniles from loitering in public places after 10 p.m., Savage said.

"The loitering stipulation gives way to too many excuses," the chief explained.

His request will be to effect a law whereby weekday curfew will be set at 11 p.m. and Friday and Saturday night curfew at midnight.

"This way all juveniles found out after the curfew will be brought in and booked," he stated.

The chief added that he will present his plan to Broadmoor Police district, PTAs and other civic groups, gain petition signatures and present the proposition to the county board of supervisors.

Friday night's crackdown will begin at 11 p.m. All juveniles found loitering in any public place will be taken to the police station, booked and their parents contacted, Savage declared.

Former Councilman ED DENNIS was leading the Knights of Columbus hole in one tourney up to early this week with a shot 3½ inches from the cup, when he was bested by PERRY DAVIS, 71 Lakemont, who fired the ball one-half inch from the pin.

Ed's feelings weren't hurt though.

Dennis is president of the Milk Wagon Drivers Union, while Davis is an employee of the Golden State Milk Co.

"Just goes to show it pays to drink milk," says Dennis.

Police Hunt Ex-Tabloid Publisher

Homer C. "Charley" Ward, 40, former publisher of the now defunct "News Mirror," is being sought by Mill Valley authorities on a felony bad check charge, Marin county district attorneys office reported today.

The warrant for his arrest followed by two months his release from prison on other bogus check counts. He was released after making restitution on four checks totaling $135.

Complaint on another bad check was signed on August 16 and warrant issued for Ward's arrest, but he has not been located. He listed his address as 121 Reed, Mill Valley. Daly City police were notified and asked to hold him if he should turn up in his old local haunts. Bail has been set at $1000 cash.

Ward was well known for his racy tabloid newspaper, which variously launched scathing attacks on officialdom in garish vocabulary and red headlines. His paper ceased publishing in 1954.

Ward departed from the local scene almost two years, only to reappear here last May to supervise publication of a "mock" tabloid newspaper aimed at recalling three city councilmen.

REC BOARD TO SPEARHEAD DRIVE FOR BEACH PARK

Daly City recreation commissioners agreed this Tuesday night to spearhead a drive for completion of the state park at Thornton Beach.

Action followed a suggestion by Chairman Bobby Cohn who warned that the project might "go by the boards and die" without the push.

The 1955 state legislature approved appropriations of $400,000 for acquisition of land and $61,900 for site development. Cohn told commissioners that neither one of these allocations has yet been touched.

If the budgeted cash is not spent within three years, it automatically reverts to the state, the chairman explained.

Included in Cohn's request that commissioners urge the city council to interest civic groups and the county in the project was the plan to solicit suggestions on the type of park desired by north county residents.

"The state is interested in knowing whether residents wish hiking, horse trail and overnight camping facilities incorporated in the project," the chairman declared.

Gas Price War Still Flares Here

Local motorists were still filling up their gas tanks this week for about 20 cents less than normal as the gasoline price war among 22 Daly City dealers went into its third week.

Efforts to stop the price cuts on October 12 fizzled out. At that time 12 members of the local chapter of California Gasoline Retailers association had agreed to pull in their signs advertising the lower prices, amounting to about a one cent reduction for both ethyl and regular.

But non-members of the association continued to plug the lower prices so the members fell back in line, according to Roy Arneson, president of the association.

Ethyl and regular gas, normally selling for 35.4 and 31.9 cents per gallon, respectively, have been cut to 34.4 and 29.9.

One local dealer is advertising regular at 28.9, 31.9 cents for the ethyl.

Arneson said he may call another emergency meeting of the local retailers group, but indicated there wasn't much hope of a city-wide return to normal prices after the Bay Area Council of Gasoline Retailers meet on the problem November 13.

Arneson says the price war was prompted by a "couple of major offenders" who are buying gas on consignment and are being forced by the sellers to establish the lower prices.

JESD May Halt Damage Suit By Buying Home

Elimination of a $25,000 damage suit against the Jefferson Elementary School district appeared imminent today as trustees Wednesday night announced intention to make arrangements with their insurance company to speed purchase of the property.

Mr. and Mrs. James Bullis, 932 Bradley drive, filed suit October 10 as a result of soil erosion difficulties. They have voiced willingness to sell the property, however, instead of forcing the district to resort to condemnation procedures. The property is adjacent to the Vista Del Mar school site, where slope stabilization ha sbeen indefinitely delayed dut to "excessive" bids for the work.

New Schools

The district architect is revising plans for both the Vista Del Mar and Vista Grande schools and advertisement for construction bids is expected about December 1, according to Superintendent H. Z. Weibel.

Trustees also authorized making application to the state for the seven classroom additions to Benjamin Franklin, purchase of four lots on Stewart street and the Ocean Shore right of way property. They tabled selection of arprpaisers for the Abraham Lincoln site. In other site quests, the district is investigating property near the Olympic Club and a five-acre site o nthe Musendorf property on Bellevue street.

Builder George McKeon conferred with trustees Wednesday night on three 10-acre sights in the proposed St. Francis Heights subdivision. Although making no commitments, he said the Zita Corporation was interested in satisfying the district's needs.

Cites Needs

Weibel said the district would require 42 classrooms plus administration buildings on the McKeon property. This would necessitate 30 usable acres in addition to the M. Pauline Brown site, figuring 1300 children from the proposed 1600 homes, he said.

McKeon met with district officials again yesterday to continue

LIBRARY FRIENDS OPEN DRIVE WITH KICKOFF MEETING

With the presentation of the colors by Boy Scout Troop No. 241 and invocation by the Reverend Fanthorpe, Friends of the Library opened their book round-up kickoff meeting at the Westlake Clubhouse, Wednesday evening. In charge of the reeting was Jack Kendree, who introduced civic leaders.

Guest speaker was the restaurateur and philanthropist, George Mardikian, who was introduced to the audience by Mayor Joseph Verducci. Mardikian spoke on "What America Means To Me," which he readily admitted is his favorite subject.

Peter Markovich, chairman of the roundup, reminded the audience that the drive closes Saturday, November 3. It is his hope that by that time, several thousand volumes will have been donated.

Books may be left at J. C. Penney Co. in Westlake, fire station at 499 Santa Barbara, fire station on Lake Merced boulevard and at the PG&E office at 12 Wellington avenue. In addition, the PTA will collect books at elementary schools next week. The Boy Scouts also expect to give some assistance.

DC Cop's Wife Hospitalized After Shooting Attempt

A Daly City woman was placed under medical care this week after allegedly taking a shot at her police officer husband Saturday morning.

Mrs. Virginia Van Otten, 119 Mateo avenue, was hospitalized Tuesday after her husband John signed an intemperance complaint. Van Otten's action followed a conference with Daly City police, district attorney deputies and social and welfare agency authorities.

According to a statement issued today by Police Chief Roland Petrocchi, neighbors complained of a disturbance at the Van Otten home at 12:15 a.m. Saturday morning. Upon responding to the call, Officer Phillip La Bruzzo said that he was told by Mrs. Van Otten that her husband had left and that she would shoot him if he returned.

Early attempts to locate Van Otten proved futile, until at 1:45 a.m. he was discovered sitting in his car near his home.

He related that when he tried to re-enter the house shortly before, his wife came onto the porch and fired a single shot from his police revolver.

Superior court hearing for Mrs. Van Otten was held Tuesday, prior to her being placed under medical care.

REC OFFICIALS, PTA'S SET KIDS' HALLOWEEN FETES

Daly City Recreation Department and local PTA's will join forces next Wednesday night to present their annual Halloween parties for elementary youngsters.

Sites for the festivities are seven local grammar schools and the War Memorial Building, with a full program of activities running from 7 to 9 o'clock. The schools are Woodrow Wilson, Crocker, Bellevue, Jefferson, Colma, OLPH, and Garden Village. The War Memorial fete is exclusively for seventh and eighth graders.

City Recreation Director Frank Ingersoll is general chairman for the project, assisted by Robert Leibe, recreation supervisor.

Youngsters will get in the spirit of things by participating in singing, games, stunts, and talent tests. In addition to prizes galore for these activities, awards will be made at each site on a one-two-three basis for winners in costume parade. Costume categories include prettiest, ugliest, funniest and most original.

Movies and refreshments will complete the celebrations, Ingersoll reports, and he urges all parents to "make sure their children don't miss the fun."

Grade schoolers in Westlake will be treated to similar shenanigans next Wednesday night at the Shopping Center mall in the annual Halloween parade and party sponsored by the Westlake Improvement Association.

Stites Hits Jeff Hi Rec Levy Use

Jefferson Union High school district's expenditure of five-cent recreation tax proceeds on capital outlay came under five Tuesday night by Daly City Manager Howard Stites.

The city manager lamented the fact that the city and local school districts have so far been unable to agree on a cooperative recreation program, although all three bodies are levying the tax.

Of the $30,000 expected to be gained in recreation tax funds by the high school district, $1806.44 has already been spent, Superintendent Edward Morgan said today. The money went towards summer swimming program instructor salaries and transportation of Laguna Salada district children.

Morgan declared he will recommend that the remainder of the proceeds be allocated toward purchase of seats for both Jefferson and Westmoor auditoriums.

Stites' comment on the tax arose

Hearing Nov. 27 On McKeon Annex'n. To Sewage District

Annexation of the McKeon tract and other adjacent parcels of land to the North San Mateo County Sanitation district will come up for hearing before the county board of supervisors on Tuesday, November 27, at 8 p.m.

Date for the hearing was set Tuesday by the board.

Board chairman Thomas Callan Sr. revealed today that the McKeon matter had not been on the agenda last week, then pushed off, as reported.

"It was definitely not on the agenda last week," he said. "The sanitation district's attorney hadn't even submitted it to us yet." The supervisors criticizen reports that the board hod intentionally removed the matter from the agenda last week.

AGENTS GROUP AWARDED CONTRACT FOR DC INSURANCE

North San Mateo County Insurance Agents association, represented by servicing broker Peter Markovich, was awarded contract for handling city insurance in action by the council Monday night.

The firm's bid of $12,884.30 was some $300 above the lowest figure submitted, but councilmen held in favor of the association, pointing out that the company submitting low bid was re-insuring with Lloyd's of London and required a post-audit. The post-audit, according to City Manager Howard Stites, might bring the cost of insurance up between $600 and $1000.

A total of five bids, three of them by the insurance agents association, were submitted.

The winning bid was entered for Pacific Indemnity Co.

that the city inspector refused to recommend a toilet in the annex because of the low ceiling in the basement and the lack of stairs leading to the basement. He suggested however, that the district would confer with city officials to see if the basement can be excavated or if toilet facilities could be installed next to the annex.

Meanwhile, on suggestion of Board Chairman Mrs. Katherine Mullen, trustees authorized a Citizen's Committee of parents having children at the annex to prepare recommendations for the November 14 board meeting.

Six weeks ago four motners appeared before trustees to protest "deplorable" conditions at the annex. They cited lack of a bathroom, rickety stairs, battered floors, dirty playfield and, in general, the district's "apathy" on improving the converted house.

Trustees sympathized with these appeals, but indicated, in their opinion, the temporary annex was a better solution than placing children on double sessions.

SALESMAN HANDED $400 FINE FOR DRUNK DRIVING

Francis Williams, 32-year-old Westlake salesman, was found guilty of drunk driving for the second time in three months in municipal court Tuesday and Judge Thomas L. Bocci levied a $400 fine against the errant motorist.

Williams, 80 Forest Grove drive was first arrested on the charge July 31. Daly City police picked him up again on October 9. Williams pleaded not guilty and asked for court trial.

In addition to the $400 fine, substitute for a 60-day jail sentence, Williams' license was suspended.

When the lights go on again . . . the session of the board of supervisors will again be in progress.

That wasn't the daughter of Mr. and Mrs. JAMES WALTON who submitted the unusual fire prevention poster declaring, "Don't Prevent Fire." It was the child of Mr. and Mrs. GEORGE WALTON, also of Daly City.

Last week a lady from Cliffside drive phoned the police department to report a full tank of gas had been drained from the family car, parked overnight in the driveway.

"And do you know," she told the officer, "It's drained so dry the arrow won't even register on the gas guage."

The stoic policeman, without a trace of a snicker, said, "Lady, I think you'd better check your lights—it sounds to me like you have a dead battery."

And so it was.

Thus the incidence of crime in Daly City was cut by at least a small fraction.

And the lady . . . she appreciated the officer's ability to hide his mirth at her plight.

In other action Wednesday, trustees:

1. Agreed to consult with city and property owners on sharing costs for installing storm sewer and repaving on Market street and Hillside boulevard in front of Colma school.
2. Moved to submit damage action against O. C. Jones & Sons to district attorney for failure to fulfill improvements contract at Colma school.
3. Reviewed proposal from Architect Mario Ciampi on additions to school facilities and expanding present sites.
4. Authorized hiring special instructor to supervise "problem children" at Colma school after hearing recommendations by Colma Principal Bernhard Gerdes and discussion of school's four classes for "slow learners."
5. Approved hiring county psychologist at salary of $8000 a year to instruct the district's mentally retarded children and handle other student problems. District currently has two mentally retarded children, educated through state funds.
6. Approved advertising for bids, as district attorney recommended, for lease of 14 classrooms of Westlake school two hours each Sunday for religious instruction as requested by the Temple Judea. Trustees will ask further clarification from the attorney general.
7. Accepted practice teaching agreement with San Francisco State College. District gets $5 for each semester unit of practice teaching.
8. Announced staggered days beginning Monday for district's first, second and third graders. This gives teachers more time to concentrate on reading with half the class each time. Some students will attend from 9 to 2 and others from 10 to 3, meeting state requirements.
9. Recognized existence of JESD Non-Certified Employees Association and Employee Relations Committee.
10. Approved additional bodily liability and property damage insurance coverage.
11. Accepted low bid of Dale Wilson at $417.45 to install bulkheads on Crocker school slope, and awarded fence contract to Cyclone Fence company.
12. Revised report card dates of November 14, February 6, April 10 and June 14.

DRAW ORDINANCE TO BAN SWITCH KNIVES

City Attorney Frank Blum was directed by the council Monday night to draw up an ordinance prohibiting sale and possession of snap, or "switch blade" knives.

Other San Mateo county cities have enacted similar ordinances in recent weeks.

In other action Monday, the council:

1. Held over for further study an expenditure of $1300 to purchase 26 parking meters for Brunswick street.
2. Granted business license to S. C. Tucker and Attilio F. Bellow to operate "Chuck and Tony's Restaurant" at 6233 Mission street.
3. Referred to the police chief two requests for establishment of two-hour parking on Acton street.
4. Approved use permit for construction of a church by the Assembly of God church.
5. Set November 26 as date for public hearings on three planning matters.

"How old am I?"

asks Mrs. Charles Vellenga, 1221 Edgewood Road, Redwood City

She's a writer . . . an amateur photographer . . . and women's editor of a newspaper. But, most important of all, she's mother of a fine family. And, like so many of today's busy mothers, she looks years younger than her age.

Ever wonder why so many women look and feel so much younger these days? One good reason: *Modern household appliances.* They free women from so many chores that used to rob them of their youthful beauty.

Take Jean Vellenga, for instance. She leaves most of her hard work to labor-saving household appliances. And she's celebrating her 45th birthday this year.

Here's the beauty of it: With gas and electricity so cheap in California you can run a whole houseful of appliances all day for the price of a bottle of popular hand lotion.

YOU MADE YOUR BED...

The city council gets what amounts to a one-week "vacation" as they "adjourn" for the next several days to the League of California Cities convention in Los Angeles.

The legislative function of the government will be at rest until next week, and the council won't convene for a regular session until November 12.

But they'll have to come back With their sleeves rolled up for that session, which is the night set for hearing on the proposed annexation of the McKeon subdivision.

Some citizens today are oft given to complain about the inadequacy of previous annexation agreements between city and subdividers. This is conjecture.

But odds are that most of the complainants were never on hand when the initial annexation negotiations were made and didn't even give a hoot.

Annexation of the 276-acre McKeon subdivision, or St. Francis Heights, is a mammoth undertaking and one deserving of scrutiny by all the citizens.

It is a very important phase in the relatively young life of Daly City and the time to consider it is now, not five years hence, as many of the second-guessers do.

On November 12 citizens will be given an opportunity to be heard publicly. Every facet of the proposed annexation agreement can and should be discussed openly and frankly.

The annexation pact now tentatively approved by the city council is reportedly a very good one. But John Q. Citizen shouldn't take this for granted. He should see for himself and make inquiries if he thinks any inequities exist.

Annexations, as most California cities have discovered, can be either boon or bane, depending on how thoroughly the councils explore the issues.

It would indeed be pathetic to see only a handful of Daly City residents show up November 12 for a transaction as important as the McKeon annexation.

Those who are guilty of this error of omission can well be governed by the old bromide, "You made your bed, now lie in it."

JEFF HIGH ADULT SCHOOL DRIVER EDUCATION CLASS BEGINS MONDAY

First class in driver education starts 7:30 p.m. Monday at the Jefferson Adult school under the direction of Louis J. Martin. Limited to the first 30 to sign up, the course will be renewed every four weeks to new enrollees. A fee of $12 is charged for the course, half to be paid on registration and the balance before behind-the-wheel instruction begins.

Martin points out that the course consists of two phases, a classroom session totaling 16 hours and a behind-the-wheel phase of not less than six hours. Class will be held on Monday and Wednesday evenings, at which time lectures, films, demonstrations, and outstanding authorities in the field of driver education will be used to cover a variety of subjects pertinent to safe and sound driving.

Behind-the-wheel instruction will be by appointment only and open to those who have completed the classroom instruction and have been recommended by a driver training instructor. A learner's driving permit, available from the Department of Motor Vehicles must be obtained before driver instruction can be given.

Driver education can be repeated as often as desired without fee.

W'lake Bank Teller Victim Of Robber

A 25-year-old Westlake bank teller decided not to argue with a "businesslike" gunman Monday and handed over $1000 in the holdup of the Stonestown branch of the Bank of America.

Mrs. Betty Cathcart, 1252 South Mayfair avenue, told police a middle-aged man handed her a note pinned to a check and ordered her "to be quiet or I'll shoot." Flashing a small pistol, he then demanded that she turn over all $5, $10 and $20 bills in the cash drawer.

FBI agents and San Francisco police still were looking for the robber at press time. Bank officials indicated, however, that the FBI had been given serial numbers of all the bills taken.

Firemen Sigh Relief As 'Blaze' Only Smoke

Daly City firemen breathed sighs of relief Monday night after answering a "hurry up" call from the home of John Cochrane, 553 Winchester street.

Upon arrival they discovered that the home was not in flames, but the residence was filled with smoke coming from an overstuffed fireplace. It took about 10 gallons of water to douse the trouble.

Fire Captain Frank Specht said the incident caused minor smoke damage.

Charge Collection Agency Head With Shoplifting Nylons

A local collection agency manager was charged Monday afternoon with shoplifting six pairs of nylon stockings from King's market.

Robert Daniel Miller, 32, of 6 Bismark street, is scheduled to appear in municipal court next Thursday on the count. He is now free on $250 cash bail.

Police were called to the Junipero Serra boulevard super market where they said they found Miller scuffling with Emil Meyer, meat department manager, and C. Berdall, special officer employed by the store. The fracas was broken up by Officer Gerald Schaeffer.

Meyer related that he had stopped Miller, accompanied by his wife and child, as he left the market and asked him whether he intended to pay for the stockings.

According to Meyer, Miller dumped six packages of nylons, hidden underneath a leather jacket, onto the floor before being led to the market office.

Complaint against Miller was signed by both Meyer and Berdall.

'RE-WRITING THE BROWN ACT' GAINS SUPPORT OF CITIZENS

Disgusted Citizen Hits JESD 'Study Session' Meeting

Dear Editor:

'After the report of the school boad meeting in the paper last week, it was heartening to see that you are still concerned about the activities that run taxes up so high and result in minimum requirements prescribed by the State Superintendent so that the district can be eligible for State aid.

These so-called "study sessions" that somehow add up to the same old run-around the people have been getting in this district for the past ten or more years are another thing that citizens should look into. If the Board is really so interested in improving education, it would seem very simple for them to call in some of the advisors we are already paying taxes to hire and find out how to provide good education at reasonable cost to the citizens. "The Functions of State Departments of Education" outlines in 70 pages how many services are provided to help local school districts secure the ebst educational programs for the most reasonable rates of taxation to the citizens.

With the Sanitation District permitting McKeon to use the 87th street storm drain that has been shown to be inadequate since the floods began in 1947, the City Council approving another development without making provisions for needed public space, the County Supervisors managing to see that none of their failures are corrected and the school board managing to fumble the district into more double sessions, it would appear that Americans need to take a good look at the Bill of Rights and find out that City Councils, County Supervisors and School Boards were provided in the American system of government to see that these things didn't happen.

Reader Forwards Brown Act Editorial To Governor Knight

Dear Editor:

I should like to thank you for your editorial "Rewriting the Brown Act." It is another link in the long chain of vigilance which you have constantly maintained in "trying to awake citizens to safeguard their rights."

More than ever, I feel you have fulfilled the statement in another editorial "Survival of the Fittest" (Feb. 3, 1956).

"Newspapers have a responsibility to society. They have an obligation to educate their readership. Most of them work at it more than the reading public suspects."

I forwarded your latest editorial to the Honorable Goodwin J. Knight with a request that he refer the matter to the Attorney General as I felt such interpretation did violate constitutional rights and was a carte blanche permit for behind-closed door tactics.

With great respect and again thank you.

Mrs. Wesley F. Foster,
840 Washington street,
Colma, Calif.

WHOSE WELFARE BEING PROMOTED? ASKS DC WOMAN

Dear Editor:

To not attend, out of our own volition, a school board meeting on issues involving purchase of property is one act, but to have that right deliberately taken away is another.

I would lke to know whose welfare Mr. Tormey and Mr. Sorenson are promotng in giving their opinion.

Without the press bringing the facts into our homes, this country would be no better than the Soviet Union.

Impoverished school districts, probable federal school aid, condemning laws, purchase of land and no press!

"Unless the voters of a community take active interest, the administration of the schools of that community is likely to become a matter of political manipulation"—thus commented Mr. Hart, vice principal, Memorial High School, West New York, New Jersey.

To Mr. Tormey and Mr. Sorenson, I suggest a "ward tour" of a veterans hospital "lest they forget" how dearly these rights we have are paid for: then if the press still hampers them for reasons given by our alert editor, they should relinquish their positions.

Sincerely,
L. Merlini,
74 Vale Street,
Daly City, Calif.

Board Awaits Findings On Jeff Safety Check

(Continued from Page 1)

said the Zita Corporation would provide adequate drainage facilities to handle the normal storm run-off and suggested the district reconstruct Edgemar road so as to retain drainage on their side of the street.

Stites pointed out that Zita officials would take care of drainage where Edgemar enters the subdivision property and carry it to Colma Creek channel. This, he indicated, would provent additional storm run-offs on the high school property from entering Broadmoor and would relieve the overloaded storm drains in that section.

While opposing that the district should share repaving costs, trustees voiced willingness to cooperate fully on easing a turn on the school property and in sharing costs of installing sidewalks.

Water Agreement

The board also tentatively agreed to City Engineer Cyril Weiler's recommendation for the installation of a standby fire service water line at Westmoor. The county forbids two water systems, but under the proposed hookup with the city, the district may get the emergency service free of charge.

Trustees reviewed a letter from the Hartford Insurance Company stipulating that it would defend the district in damage claims filed by Broadmoor property owners. Complainants, filing after last winter's severe rains, say the damage was a result of improper drainage at the Westmoor site.

Morgan told trustees he is awaiting word on the district's appraisals to increase the Sharp Park site to 47½ acres. The district owns 27 acres in Sharp Park at present, but two weeks ago moved to increase the site as recommended by the Stanford survey. The survey urges 30 acres per 1500 children, plus one acre for each 100 youngsters. The two new sites sought by the district lie to the north and east of the present site. Morgan informed trustees he has sent a letter to Superintendent Frederick E. Lucas of the Laguna Salada District on the possible abandonment of the Bella Vista avenue property south of the current site.

Local Man Shaken Up In Menlo Collision

A 22-year-old Daly City man was among five motorists injured early Sunday morning in a two-car collision at Middlefield road and Ravenswood avenue opposite Menlo-Atherton high school.

Hurt was Richard Norris, 22 Niantic avenue, who suffered cuts and bruises. Two teenage San Bruno girls sustained more serious injuries. Kay Collins, 19, suffered a fractured right ankle and fractured ribs. Marilyn Brown, same age, incurred a fractured wrist.

during consideration of a request by Mike Orlich, Jeff physical education department head, that he be allowed use of the War Memorial building. Orlich asked that facilities be made available from 10 a.m. to 12 noon three days a week for basketball practice.

As explained by acting Recreation Director Frank Ingersoll, Orlich would be donating his time to act as coach for the boys who are now on double sessions at the high school.

Ingersoll also emphasized that the high school has often donated facilities to the recreation department.

Upon Stites' recommendation, commissioners agreed to grant facilities free of charge if the activity is found to be "recreational" and to charge rent if it is found "educational."

Council Bans Cops, Firemen From Union Membership

(Continued from Page 1)

page prepared statement. He declared that to question the "right of a working man to join the union . . . seems very strange and out of date.

"A policeman or a fireman is no different from any other working man. I say that he does have that privilege and that any old local regulation which forbids him to join a union are an unlawful taking-away of his rights.

"No Right To Deny"

"The employers (sic) of our city government have indicated an intelligent desire to organize into a trade union for the sake of their mutual interests and the promotion of their mutual welfare. I say that they have a right to do so, and that this city council has no right to deny them that right."

Loud applause followed the reading of his statement.

Hupf again moved for adoption of the resolution, whereupon Crocker arose and asked to be heard before the vote was cast.

He declared that "the statement in the resolution is not fact. The Daly City union is a self-contained group and is no more of an association with the national organization than the Civil Service Employees association was with the state group."

He held that the "conflict of interests" could also apply to members of the council because of their possible affiliation with lodges or groups which might influence their decisions.

More Applause

"I appeal to you as human beings," the union leader continued, "not to adopt this resolution at this time. Are we going to deny a section of the employees the same rights they've had up to now?"

Again the audience applauded loudly.

But Mayor Joseph Verducci called for a vote, deciding the issue by a 4-1 margin.

De Bernardi Asks Determination Of City Responsibility

Councilman Micheal De Bernardi Monday night asked for a special meeting of the council to determine "administrative responsibility," lack of which, he said, is "slowing down the council."

"No one seems to know who's responsible for enforcing certain ordinances," he declared.

The councilman also called for speeding up of information to the council and urged a program whereby money allocated in the budget for extra employees be used for capital outlay if it is not expended by the end of the year.

Asked by Mayor Joseph Verducci if he cared to elaborate on his three-point program, De Bernardi said, "That's all at this time."

The topics will probably be considered at the council's next study session November 7.

Housewife Asserts 'Older' Section Daly City Neglected

Charge that the "older" section of Daly City is neglected while new facilities are still going up in Westlake was leveled at the council Monday night by Mrs. Jack D. White, 689 Templeton, housewive and active PTA worker.

Mrs. White, appearing to complain about the "lack of progress" in completing Frankfort park, said, "It's tiresome—we live here for many years and pay taxes and we have the least to show for our money. We have a right to our share."

She told the council, "My dander's getting thick. I've been fighting for different projects for seven years."

City Manager Howard Stites explained that, "There's no money in the budget for resurfacing streets in the western section of Daly City. It's all gone for your area."

Mrs. White countered, however, that there were "other projects that have been neglected."

Drunk Driving Costs Insurance Woman $200

A 56-year-old woman insurance investigator was fined $200 in municipal court Tuesday for drunk driving here October 8.

Pleading guilty was Dorothy Dymple Hatzmeier, 157 Brighton avenue, San Francisco. She was booked after smashing her car into a traffic island at San Pedro road and Mission street.

MOTEL ROBBERY SUSPECT HELD TO SUPERIOR COURT

John Almares, 20, alleged ringleader of a six-man gang which robbed Bob's Motel in Colma a month ago, has been held to answer in Superior Court after preliminary hearing last Thursday.

Broadmoor police have issued warrants for two other co-defendants, who failed to appear in municipal court last week. They are Paul Sherman and George Tom, both 19, being held on other charges by San Francisco authorities.

Mrs. Bernita Theo, motel manager, identified the trio from a police lineup in San Francisco three weeks ago. She claims Almares led the raid, which netted the robbers $45.

Date of Almares' trial has not been established.

Colma Housewife Succumbs In Fire Set By Cigarette

A 42-year-old Colma housewife, mother of three children, died of suffocation Friday night after she fell asleep in bed and a lighted cigarette ignited her mattress.

Victim was Mrs. Velma Guaraldi, 320 Third avenue, who failed to respond to efforts of an inhalator crew after being rescued from the living room of the smoke-filled home.

Broadmoor police officers, called by a neighbor who spotted smoke pouring from a bedroom window, said Mrs. Guaraldi apparently was aroused enough to stagger to the front room, where she collapsed on a couch.

Colma firemen worked frantically to revive the woman while she was being rushed to Junipero Serra hospital, but she was pronounced dead on arrival. Firemen reported that heavy, toxic fumes from the smouldering mattress filled the room where Mrs. Guaraldi had been lying.

The victim's children, Drena, 17, and sons, Gary and Norman, were attending a movie when the tragedy occurred. Her husband, Dreyfus, was prospecting for uranium in Nevada at the time. He arrived back in Daly City early Monday morning.

Other survivors include her parents, Mr. and Mrs. Harry Coyle; two sisters, Mrs. Vivian Duncan and Mrs. Virginia Crockett, and a brother, Donald Coyle.

Services were held Wednesday afternoon at W. C. Lasswell and company. Interment followed at Italian cemetery in Colma.

Skyline Traffic Lights 'NotAdvisable'—McCoy

Installation of traffic signals at Westridge drive and Westmoor drive on Skyline boulevard, as requested by the Jefferson Elementary School district, has been declared "not advisable" by G. T. McCoy, state highway engineer. His answer was received by the school board Wednesday.

McCoy, pointing out that, "experience has shown that signals are not alaws effective in making the highways safe for children," urged instead that an adult crossing guard man the intersections. He said this method provided the "best possible protection for children crossing a highway under conditions such as exist at these locations."

The Westlake Improvement association had made a similar request for signals at these intersections.

MEAT LAW STAYS, COUNCIL REPEATS

H. H. Smith Jr., Chamber of Commerce president, reiterated his plea Monday night before the council for rescinding the 27-year-old ordinance prohibiting meat sales after 6 p.m., but fared little better than he did last Wednesday.

The council voted, 4-1, to forward the Chamber of Commerce a letter thanking them for their interest and pointing out that the request had already been considered at length.

As Councilman Micheal De Bernardi put it, "This has come up before and it was the majority opinion of the smaller businessmen to leave the ordinance the way it is."

Del Wilson was the lone councilman opposing denial of the Chamber's request. He held that the matter should be tabled 30 days for more study.

CULPRITS RANSACK VACATIONER'S HOUSE

A local resident returned from vacation last week to find his front door wide open, his house ransacked but nothing missing, according to police.

Victim of the housebreaking was Harry E. Gay, 639 Crocker avenue.

Police said culprits apparently entered the house by breaking a rear kitchen window.

The lumber industry is America's oldest, having been started about 1608 in Jamestown, Virginia.

News From Here & There

By Eleanor Doyle

Due to take up residency with their family on Belmar avenue at any time now are the twin sons of MR. and MRS. LAWRENCE J. LIPNICK. The unexpected heirs arrived on October 6 at Mt. Zion a month before schedule and were a complete surprise, especially to the very proud parents.

The lads are STEPHEN MARK, who weighed in at four pounds, five ounces, while DAVID JOHN tipped the scales at four pounds, thirteen ounces. The boys have a "big" sister, two-year-old SUSAN. Grandparents are Mr. and Mrs. John Lipnick of New Jersey.

New additions to Skyline drive are the LIEUTENANT KIEHL E. UNDERHILLS and their two daughters, IRENE, 17, a senior at Jeff, and 14-year-old DONA, a freshman at Westmoor.

Lieutenant Underhill was in charge of general mess at Little Creek, Norfolk, Virginia, before his retirement in June after 22 years of service. He is now maintaining a Daly City office as Western representative for the Coffee Brewing Institute.

Making their home in Berkeley are newlyweds MR. and MRS. WILLIAM SIEVERS JR. (Thelma Gardella). Vows were exchanged by the couple in Reno September 30 with just the immediate family attending. The bride and groom recently returned from their honeymoon at Lake Tahoe.

Thelma is the daughter of Mr. and Mrs. Steve Gardella of Irvington and is a graduate of Jefferson High school.

MRS. LILLIAN FRANZOIA of W. Moltke was a recent hostess for a Sara Coventry Jewelry party, demonstrated by Mrs. Betty Gigli. Sitting in on the party were Mesdames: Yolanda Piccardo, Rose Gustavino, Emily Drago, Etta Dalaimir, Sophie Guisti, Rose Petrocci, Edith Franzoia, Lola Migliore and Lou Giannini.

Being an October birthday girl, ELLEN KNEEBONE of Beechwood drive celebrated her fourth with a colorful Halloween party. Sharing in the treats were Peg and Janice Watson, Diane Christi, Peggy Benson, Sherryann and Shannon Buchanan, Paul and Judy Biffico, Andrea Conway, Elizabeth and Paula Ann Kelly, Kenny Fifthian and Ellen's sister Patricia.

At a recent Sunday morning service at the Bethel Temple in San Francisco, a dedication ceremony was held for BECK ANN, three-month-old daughter of the Edward Jensens of Abbot.

On October 8 at St. Luke's the CYRIL D. HUGHES on Castle became parents of their first addition, six pounds, ten ounces, MISS FANNYE FLORENCE. The baby is the grand-daughter of the J. P. Elliots of Corning, Calif., and the John Dolleys of Cleveland, Ohio.

A surprise kitchen shower last Saturday evening honored bride-to-be MISS MARY MORAN of San Francisco, who on November 3 will marry LOUIS MASINI of Hillside boulevard. Co-hostesses were Mrs. Helen Masini, mother of the groom and Mrs. Pat Hunter. The event was held in the latter's home on Palisades drive. Among the guests were Estelle Bertocchi, Dodie Sanguinetti, Sue and Alice Masini, Angie Sereni, Paggy Schultz, Corinne Riccomi, Mrs. James Moran, Eleanor Lanza and Midge Young.

Newsy notes from here and there. . . . Smiles, smiles and more smiles are being displayed by DUKE SCHENONE and BOTCHIE BERTUCCI since their recent trip to Reno. . . . . The mumps has visited the PARRISH family on Atlanta, with three-year-old BECKY ANN half way through her seige, while eight-year-old Sally is beginning to try them on for size. . . . Besides being a social club, STITCH & CHATTER members also help with many worthwhile projects. Right now they are in the process of making stuffed animals for the children at Shriners hospital for Christmas. . . . Chester street is about to lose the JOHN SAVAGE family who plan to move down the peninsula real soon. . . . After many months of square dancing lessons the RODGER GILMORES on Brunswick and the BOB KEITHS of Bellevue have graduated to the Whirl-a-way square dancing group, which meets regularly at the South San Francisco recreation center with Chick Burgess as instructor.

ROSEMARY DIANA is the name of the third child of the JOSE JIMINEZES on Orange avenue. ROSEMARY made her grand entrance at St. Luke's on October 12, when she tipped the scales at six pounds, six ounces. She is the sister of Mario, six, and Anita, five, and the granddaughter of Mrs. Jovita Chavez of Mexico.

Holy Angels church was the recent setting for the christening of ANNE MARIE, daughter of the GIULIO BOERIS on First avenue. Anne's Godparents are Mrs. Bernice Corcoran of Buri Buri and Mr. Frank Zanini on Garibaldi. Following the services, a buffet supper was served at the Boeri home for the immediate family.

Last week members of the "BEECHWOOD BELLS" in Westlake met at the home of MRS. ESTHER HOWARD, for their regular monthly get-together. This social club is about a year old, with all of their members residing on Beechwood drive. The "social bells" are Nancy Biffico, Valerie Barns, Skip Benson, Harriet Fifthian, Micheline Johnston, Mae Kelly, Helen Kneebone, Phillis Leishman, Thelma Martin, Grace MacDonald, Jean Morrison, Betty Reyond adn Doris Watson.

Three years of Marine Corps duty has recently been completed by (Ex-Corporal) EUGENE BOUDREAU, who is now living at Barrington hall while attending UC, where he is majoring in geology. Eugene's family resides on Fairway drive in Westlake.

Last night at the Sandunes new offices for the board of directors of Harding Park Golf Club were installed. Heading the list as president is none other than JIMMIE GALLAGHER of Woodrow. . . .

Tupperware parties seem to be quite the thing these days. . . . Latest one we find was held last Thursday evening at the home of MRS. ERMA GASTON on A street in Colma, with that busy Mrs. Helen English as demonstrator. The "evening out" was enjoyed by Agnes, Blanche and Lethi Gaston, Ann Sereni, Bee Lovejoy, Gale Walker, Juanita Black, Pearl Kelly and Dolores and Diane Roach.

Last Saturday afternoon the LINERO home on C street, Colma, was a colorful scene of pre-Halloween celebration, with the guests arriving attired for the occasion. Hostesses for the party were Diane Linero and Marilyn Brown, with the traditional treats being enjoyed by Linda Thompson, Judy Koltis, Linda and Patty Linero, Billy Brown, Chrisy and Natalie Wood, Sandy, Doreen, Judy and Debbie O'Neill and Karen Weglen.

The coming week will be a hectic one for the JOSEPHS on Thiers, with JOE and JOSEPHINE planning an evening out on the town celebrating their 14th anniversary, then comes the fifth birthday of MISS BARBARA, followed by Mom's birthday.

A theater party followed Saturday's birthday luncheon for ROGER OLMANSON on Bismark. He decided to share his tenth one with David Jacobsen, Bobby Doyle, Dennis Navarra, Doug Urnanos, Billy Van Aken and Tommy Cameron.

Outdoor activities are the objectives in mind for the newly formed Girl Scout Troop 6, which is made up of eighth grade students. The girls in this group are Pamela Button, Arlene Day, Frances Cava, Sharon Demenio, Carole Duke, Carolann Gotelli, Barbara Huntington, Gabriela Melendez, Diane Navarra and Charlotte Theibaut.

Under the watchful eyes of their leader, MRS. HELEN DUKE, and co-leader, Blanche Button, the girls recently enjoyed their first outing together, a swimming party at the Jeff pool.

On October 19 LAUREN JANE added her name to the safety pin roster, after checking into the ANGELO BIAGI family of Westdale avenue. MISS LAUREN made her debut at St. Mary's and tipped the scales at six pounds, 15 ounces. She has two brothers, Mark, ten, and Chris, eight. The pround grandparents are Mr. and Mrs. Gino Biagi and Mr. and Mrs. Fred King, both of San Francisco.

With two birthdays to celebrate in October the PLUMLEY children SUSAN and JERRY on Lowell selected last Saturday as their day to feature the double event. Sharing in the fun were Veronica, Joey and Micheal Kearns, Shirley, Maureen and Barbara Bianchini, Julia and Ronald Gilbert, Tommy and Jerry Salvator, Nancy and

Westmoor Dancers Perform On Television

Nine young members of a Westmoor Dance Group pre-school class exchanged the Broadmoor Community Center for a KQED studio last night, performing on Dick Ford's "Hop Skip and Dance" weekly show at 6 p.m.

Ann Liska, Kathy Johns, Kathy Bernard, Babs Beal, Billie and Janice Brown, Michele Giraudo, Karen Heikel, Lisa Narin and Elizabeth Burrett danced before the cameras in the natural manner which characterizes their 11:15 a.m. Thursday class lesson, the class chairman, Mrs. Edward Liska, pointed out.

Classes for all age groups, as well as ballet for girls and tumbling for boys are held weekly on Thursdays under the auspices of the Westmoor Dance Group, a non-profit cooperative.

WHAT'S DOING

Thomas R. Gilbert, your Telephone Manager in Daly City

He found phones wherever he went

Recently, Mr. Bill Brown and his family took an auto trip to attend a business conference. After he returned, he sat down and wrote us a letter saying: *"The new modern roadside telephone booths were one of the most useful conveniences we found. They are everywhere, even out in state parks away from city populations. They saved us hours of time and eliminated so much of the annoyance of waiting."* Right you are, Mr. Brown. When you're away from home and have a call to make just look for that familiar Bell emblem. It means there's a phone handy.

* * * * *

Where were you when that call came in?

The last time the telephone rang in your home, where were you? Cooking dinner in the kitchen, doing up that blouse in the sewing room or out in the workshop finishing up that chair? Wouldn't it have been swell just to reach out and answer the phone instead of rushing halfway through the house to get the call? Telephones in the rooms you use a lot are convenient. The cost is $1.00 a month for each one after a single installation charge. You can call us today and make yours a telephone-convenient home.

You can go visiting now—by telephone

Next time that youngster of yours looks up and asks: "When are we going to visit grandmother again?" you don't have to reply: "Oh, on next summer's vacation," or "Well, perhaps at Christmas time." You can just say, "Why, right now." And then pick up your telephone and make a warm and friendly long distance call. And don't forget, rates are lower after 6 p.m. on weekdays and all day Sundays. It's a wonderful way to keep in touch. Pacific Telephone.

Lions Told To Cut Art Show To 4 Days

Daly City-Colma Lions club will have to limit its student art show to four days this year if scene is to be the War Memorial building.

Recreation commissioners handed down the ultimatum Tuesday night upon receiving the Lions' request that they be granted free use of the building between March 27 and April 8.

Action by the board followed the recommendation of City Manager Howard Stites and acting Recreation Director Frank Ingersoll. Recommendation was based on past attendance at the event.

Besides the four-day allotment for persentation, Lions will be allowed two days to assemble exhibits and one day to clear out the hall.

OLPH Paper Drive Gets 'Flying Start'

The OLPH Men's club paper drive got off to a flying start last week, the club reports. A cash prize of $5 is being offered for the child bringing in the most paper. Other prizes will be awarded.

Children wishing to participate are asked to save newspapers, tie them in ordinary bundles, tag the bundles with their name and address, and bring the paper to the OLPH school yard, 80 Wellington avenue on December 8.

don't run out of gas!

California isn't producing enough oil to supply its own autos, its farms, its industries—or its share of the Nation's defense needs.

We are running out of gas! Why?

Because today selfish operators with no regard for the public welfare are blocking modern conservation methods that **the entire oil industry knows will double California's oil recovery.**

A selfish minority is sabotaging YOUR gas supply . . : keeping the State of California from harvesting billions of dollars in State oil revenues that could pay —tax free as far as you're concerned—for our new water program and many other needed public services.

"THE LARGEST STAKE IS YOURS AND MINE"
—STATE CONTROLLER

"In Long Beach alone the entire State stands to benefit by hundreds of millions of dollars in added income under PROPOSITION 4.

"Without unitization . . . these new riches will be lost. You and I—as citizen landowners—hold the largest stake by far in the proper oil development of our State."

ROBERT C. KIRKWOOD,
State Controller, chief elective fiscal officer for California

PROPOSITION 4 GIVES CALIFORNIA . . .

- A 12 billion dollar increase in economic wealth.
- New jobs and 2 billion dollars in new paychecks.
- A new supply of 4 billion barrels of oil—for our cars, our planes, our industrial machines.
- A secure source of oil for our National defense.

For more oil . . . more gas . . . more tax benefits . . . more jobs . . . more security

Prior to making the trip, the troop was briefed on Japan's geography, numerical lettering (counting to ten) and the country's typical structures.

Making the trip were Nancy Baker, Susan Barnett, Paula Baumgartner, Linda Christman, Karen Courtney, Julie Carletan, Mary Dunne, Carolyn Goodner, Linda Hartman, Sue Irby, Karen Johnson, Rayme Lichtenberg, Janice Long and Linda Scafidi.

BOY 'KILLS OFF' MOTHER IN TRY FOR SAVINGS

A 16-year-old Daly City boy failed Monday in his attempt to withdraw $500 from his mother's bank account by lying to the teller that his mother had died.

Police were informed of the incident by the mother who said she returned home from a funeral to find that her bank book had been taken from a bedroom closet. Also missing was aprpoximately $5 in change from a piggy bank.

Contacting her bank, the victim was told that her son with two other youths had just left. Bank officials related the boy's story that his mother had died and he wished to close the account.

Shortly thereafter, the youth, who had been missing from home since October 10, appeared at the door. His mother said he admitted to taking the bank book but left when she went to answer the phone.

Local police have issued a missing person's report on the boy.

CITY EMPLOYEES DONATE OVER $1400 TO UNITED CRUSADE

Daly City municipal employees donated over $1400 to the United Crusade fund campaign, it was revealed today by Police Lieutenant Roy Beecher, chairman.

Crusade committee was composed of the following city employees: Harry Krohn, water department; Arnold Edinger, street; Captains Mel Hanson and Frank Specht, fire; Barbara Galindo, miscellaneous; August Conci, recreation and parks, and Officers Charles Terry, Richard Phillips and Jerry Galindo, police.

Included in the total is a contribution from the volunteer fire department, Beecher said.

Portal Church Will Observe Reformation

Next Sunday West Portal Lutheran church, 200 Sloat boulevard, the Reverend A. H. Haake will commemorate the Reformation in the divine services at 8:30 and 11 a.m. and 7:30 p.m.

Children's choir under the direction of Vern Liermann will sing at the 8:30 a.m. service. The church choir will render special music at the 11 a.m. service. Pastor Haake will preach on the topic: "The Reformation and the 20th Century Christian." Vicar Martin L. Maehr will assist in the services.

Sunday school and Bible classes will be held as usual on Reformation Sunday, meeting at 9:45 a.m.

DICK FORD DANCERS TO OFFER PROGRAM

Parents of pupils of the Westmoor Dance Group will be particularly interested in the appearance of the Dick Ford Dancers—Dick Ford, Judith Modell and Marguerite Ford—who will present a program of Theater Dance at the Veterans auditorium in San Francisco on Saturday evening.

The program will range from serious drama through abstractions to delightful satire, with the aid of their musical director, LeRoy Miller.

Tickets are now available at Sherman Clay.

These artists are well known locally through their classes of creative dance for children, held at the Broadmoor Community Center and Village Play School.

HATCHING PLACE

About one million trout a year are hatched at the state fish hatchery at Hapy Isles in Yosemite National Park and are planted in the lakes and streams of the park, says the California State Automobile Association.

Pastor Christian Continues Sermons On 'What Is Church'

This coming Sunday Pastor Charles R. Christian of Westlake Lutheran church will continue the series of sermons, on the general theme, "What Is The Church?" Theme for this Sunday's sermon is: "The Church: The Bride!"

Other sermon topics for the weeks to come are as follows: November 4, "The Church; The Flock!"; November 11, "The Church: The Temple of God"; November 18, "The Church: The Vine"; November 25, "The Church: The Body of Christ!'

Ever growing congregation meets each Sunday at the Broadmoor Community center, White street just off 87th in Broadmoor Village. Sunday school meets at 9:15 a.m., followed by worship service at 10:30 a.m.

The congregation is soon to announce the proposed site for the new church which will be under construction very soon. There is also presently much thought being given to the possibility of a grade school becoming a part of the parish, according to the pastor. The entire project at its outset is being financed by the Home Mission department of the Evangelical Lutheran church.

Westlake Lutheran extends the invitation to any in the community to join the fellowship of this new congregation in the area. For further information on the work of the congregation persons may contact Pastor Christian, PL. 6-4373.

Heat Progress Reports For Xmas Tree Bazaar

Assignment of booth space and progress reports was the main order of business at a special meeting this week of bazaar committee chairmen for the women's auxiliary of St. Martin's Episcopal church held at the home of Mrs. Kenneth Brugge, co-chairman for the event. Mrs. Brugge also announced two added features for the bazaar—a "cake walk" played like musical chairs with the winner standing on the lucky number the recipient of a cake . . . and a "surprise" booth manned by three male numbers of the congregation, Richard Phillips, Walter P. Michels, and Ken Brugge.

The "Christmas Tree Lane" Bazaar which will be held on December 1 in the multi-purpose room of the Westlake school will also feature booths for parcel post gifts, white elephants, Christmas decorations, plants, fancy work, and snacks as well as a fun booth for youngsters.

W'MOOR HARRIERS SCORE VICTORIES OVER HILLSDALE

Beefed by two frosh-soph graduates, Phil Anderson and Dave Dunbar, Westmoor's varsity cross countrymen registered their first win in five PAL starts Thursday, downing Hillsdale, 22-35, on the Scots' course. The Ram Frosh-Sophs streaked to a 4-1 season mark with a 22-37 nod over the Hillsdale yearlings.

Jefferson's steamrolling varsity also downed the Scots in the affair (three dual meets at the same time) 23-34. The Indians have lost twice in five tests, yielding to San Mateo and all-conquering Carlmont.

Indian Al Estigoy captured the 1-9 miles romp in 9:11, followed, as usual, by teammate Al Davila in 9:14. Anderson finished third in 9:31 and Dunbar was fourth in 9:33.

Jeff's Gary Romriell got up for fifth, Ram Rich Gomez copped seventh, Jim Gustafson, ninth, and Indians Bud Pollard and Dan Anderson were 12th and 13th, respectively.

The two Westmoor contingents and Jeff's varsity move to South City tomorrow (Thursday) to tangle with the Warriors.

McGAHEY & OLSON HIKE LEADERSHIP TO 2 FULL GAMES

Taking a split decision over Plaza Furniture Tuesday night at Brentwood Bowl, McGahey & Olson keglers hiked their leadership to two full games in the Daly City-Colma League.

Runnerup Brisbane Market lost ground, meanwhile, by losing a split verdict to upcoming Westlake Homes. The Westlakers are now only three games off the pace.

High singles honors for the evening went to Cucci Mangini of Plaza Furniture. He posted a 234 first game and a series tally of 603. L. Ghigliazza of Carmona Chemical, loses by 2-1 to Paul's Flowers, rolled high series of 612 on 212, 215 and 185 games.

Other split-decision outcomes saw Edisco bumping Town House, San Pedro Lunch over Bank of America, Donnellan Realty over Thur Meats, Luce Meats over Carlo's Pizzeria and Vince & Fred's over Daly City Cleaners.

Babe DeLucca of Town House had the top average in the circuit entering this week's play with a 185 on 330 pins in 18 games. Tied for second at 183 were Del Fehl of San Pedro Lunch and teammate T. Gantert.

Softball Loop Planned For 1957

Softball players, unite!

The call went out this week for seven sponsors interested insponsoring seven softball teams to compete in an eight-team league now being organized by Frank Davidson of the Westlake Lodge.

His club will be the eighth team.

Contests will be held on Saturday, with two contests each week at Westlake diamond and a pair at Marchbanks.

Davidson plans to start the loop right after the first of the year.

Those interested in acting as sponsors or competing in the league are asked to drop Davidson a card at 307 South Mayfair, Daly City.

Duffymen 'Scare' Cub Nine, Blast Shell Squad, 7-2

Have no doubt about it, Lowell Creighton's Duffy's Corner nine figures to be tough from here out.

The Irish-backed kids hit their stride over the weekend, losing a ticklish 1-0 battle to the league-leading Portola Cubs at Balboa park and storming back Sunday to trounce the Johnny Shell Juniors, 7-2.

Terry Christmas was a hard luck loser in Saturday's tilt. He gave the front-runners only five scattered hits, same allowed by rival Johnny Rapp, but the Duffymen couldn't push a runner across. Tom McHugh was the only Duffy to reach third, in the sixth inning after being walked.

Portola's run came in the sixth when Firstbrook singled to right and reached second on an error. He was sacrificed along by Bertainia, then scored on Taufer's clean single. The Duffymen cut off another run in the last frame as shortstop Billy Hix fired to McHugh at third to nail Loskutoff.

Getting hits were Duffymen Barry Krohn, Mike Rovai, Mike Kennedy, Bill Hynes and Christman.

Creighton's youngsters exploded for six runs in the third inning Sunday in romping over Johnny Shell's club. Credited with rbi's in the outburst were Christman, McHug and Mike Wall.

All told, the Duffy's blasted 11 hits off Don Kunkle. McHugh tallied their first run in the second after he was walked and sacrificed along by Kennedy.

Winner Billy Ludwigsen held the Shells scoreless until the sixth, when two walks and three hits gave the Juniors two runs. Krohn came on in the seventht and retired the side in order.

The Duffymen meet arch-rival Podesta Nursery twice this weekend. First game will be held Saturday at Marchbanks starting at 11 o'clock. Sunday the clubs clash at 11:15 on the West Sunset diamond.

JEFF'S TYDINGCO TOPS NORTH PAL TENS IN SCORING

Forward Gordy Tydinco of Jefferson's 10's basketball squad topped the North PAL in scoring as action entered the fifth round yesterday (Thursday).

In three loop games Tydinco has 16 field goals and nine free throws for 41 points and a 13.7 average. His closest competitor is Al Mariani of Capuchino with 39 points in four games.

Westmoor's Bill Dougherty is fourth with 33 points, and teammate Dick Reese ranks tenth with 24.

Tony Broadwood of Burlingame leads in 20s scoring with 53 points in four tilts. Roy Reitz of Jeff is fifth with 39 in three games. Ram Ross Holmgren ranks tenth with 29.

Mike Orlich's Jeff quints were idle last week but faced Capuchino yesterday. The 10's have a 2-1 record and the 20's stand 1-2.

San Mateo entered yesterday's games leading both circuits with 4-0 records. Carlmont's fives were next with 3-0 slates.

CSM GRIDDERS HOST POWERFUL STOCKTON IN HOMECOMING MIX

College of San Mateo draws the toughest home-coming assignment this Saturday afternoon when the so-far punchless Bulldogs entertain Big 8 Conference leader Stockton at 2 o'clock.

The Mateans dropped their second loop decision in three starts Saturday to Santa Rosa in a 19-0 whitewash. A week earlier the Bulldogs played dead for West Contra Costa, 13-0. They've failed to click after opening with an impressive win over Sacramento.

Stockton, '55 champ, shows no sign of slowing down Saturday. The valley boys stiffened potent San Francisco City College and apepar unbeatable in these parts.

ANGLERS IN THE U. S.

U.S.A.C. officials certify that under their Sanction No. 56-SR-13 these records were made by a 1957 Ford unaltered one production model, all parts of which met specifications identical to those cars being sold to the public.

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run... Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah ... it was the longest left turn in history.

A car, like a man, is known by its *deeds*, not *words*.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before – in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world ... a distance equal to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of *speed*—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as *no* other cars have ever undergone, let alone successfully concluded.

Surely they have told you, in decisive terms, that they are *worth* more when you *buy* ... and when you *sell*!

Your Ford Dealer will gladly place at your disposal the *new kind* of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.

Jeff Collides With Hillsdalers Today In 'Turning-Point' Duel

Indians Bobble Battle With Serrans By 25-13

If ever a team needs a lift, it's Jefferson Indians as the Tribe goes against Hillsdale this afternoon (Friday) in a turning-point North PAL argument. Victory for the locals would put them back in the race, but a setback will drop them among the also-rans. The fuss starts at 3 o'clock.

Befuddled again as his boys flubbed a 25-13 exhibition verdict to Serra last week, Coach Joe McGrath knows its now or never for his club. Picked as a preseason darkhorse, the Indians unveiled potential in 0-0 deadlock with Burlingame, then fell to upstart San Mateo, 20-7, two weeks ago.

Mistakes Hurt

McGrath knows his eleven has the stuff to rate with the best, but admits the Indians made too many costly miscues in league tests to date. Could be Jeff is ready to jell today, and if so, the Knights are in for a tough session.

Believing that some of his regulars are "dogging" it, the Indian chief has made three lineup changes to stir the boys up a bit. Among thsoe benched will be All-League flank candidate Tom Cloutier and junior scatback Sonny Martinez. McGrath will try Pat Lena at Cloutier's left end slot and reserve QB Ed Leveroni steps in for Martinez. Sonny had a fine afternoon against Burlingame, but was sluggish in the other two tilts. Delmar Scott at right end is the other first-string addition.

Good Condition

Except for ailing tackle Jim Farley, Jeff enters today's game in good shape. Defensive half Reed Grandy was socked on the head Friday against Serra, but he's ready to play again. McGrath was pleased with the return of Rich Duncan at right tackle last week, and opines that guard Bill Riedstra is one of the best in the circuit. Backfieldwise, Paul Tapia has gained added confidence at QB despite an off-day against Serra, and right half Dave Calloway looms a good threat.

In Hillsdale, the Indians encounter one of the strongest aerial attacks on the Peninsula. Their rifleman is junior Keith Mattos, who hit 10 for 12 vs. Carlmont and a dozen in 29 against Burlingame last week.

The Knights are 1-1 to date, with a 13-12 win over Carlmont, and losers by a 14-7 count to Burlingame. All season they stand 3-1, having pocketed practice nods over Tamalpais, 20-0, and Serra, 33-20.

Pads Capitalize

Serra posted all four touchdowns on breaks Friday in decking the Indians the fourth time in their series. Jeff seemed on the victory march early in the second quarter with a 13-6 lead, but Ernie Biagi hauled in an errant Tapia pass and raced 45 yards to even the count. Al Kirkes booted the conversion for a 13-all intermission reading.

Serra applied the clincher in the third period after Tapia fumbled the hide on the Pad 47. Eleven plays later Biagi busted over from the one. Kirkes missed the extra point and it remained, 19-13.

Midway in the fourth quarter Tapia again misfired on a pitch and 130-pound Dick Cecci sprinted 17 yards for the final Serra tally. Again Kirkes failed on the conversion, but nobody cared.

First Tally

A short Tapia punt gave the Padres their initial opportunity in the first period and they didn't miss. From the Jeff 31 they banged to a TB in five plays, Kirkes getting the six points on an end sweep a yard out. Reidstra blocked the conversion kick and the Indians trailed, 6-0.

Then Jeff caught fire on the ensuing kickoff. Calloway thundered off his right end and tight-roped 64 yards down the sidelines before being hauled down from behind on the Serra five. Martinez sealed it by touring left end for the score. Lee Casentini was stopped on the conversion run and the count remained 6-all.

Minutes later Jeff took over again as Gary Ryan snared a Kirkes fumble in mid-air on the Padre 30. After hitting Cloutier with a 15-yard-strike for a first down on the 15, Tapia lofted a 12-yarder to the same target in the end zone. The pair clicked for the extra digit.

Statistics

Serra led in total yards, 200-197, and first downs, 17-6. Tapia got 63 yards upstairs with a pitching mark of 5 for 16. Padre Bill Vial connected on four out of 12 for 29 yards.

Individually, Kirkes hogged the spotlight with 110 yards on 18 carries. Calloway's big burst gave him a total of 87 yards via five hauls.

Only other North PAL duel this week finds Burlingame meeting winless Carlmont tonight in Pantherville. Front-running Capuchino, 39-6 conquerors of San Mateo Saturday night, hosts Menlo-Atherton in an exhibition. The Bearcats, meanwhile, limp to Sequoia for a night affair.

Co-leader Willow Glen takes on hapless San Jose in the lone South PAL scrap. Lincoln bumps Fremont at Sunnyvale and scorching Palo Alto is idle. The Vikes are scored on in four games thus far. 2-0 in loop standings and un-

TWO JEFF cross countrymen who figure to be headliners in the PAL finals next month at Stanford are Andy Estigoy (right) and his consistent teammate Al Davila. Estigoy, regarded a top threat to Carlmont's superb Tom Jent, has copped first in four out of five races this season. Davila has ben a steady second to give the coachless Tribe a one-two kick. Jeff's harriers, 3-2 for the campaign, met South City Thursday on the Warrior course.

Estigoy, Davila Pace 3rd Jeff Cross Country Win

Led by another blistering performance of Andy Estigoy and his sidekick, Al Davila, Jefferson's coachless cross country varsity thundered to their third decision in five PAL outings last Thursday as they stopped Hillsdale, 23-34.

Estigoy, who figures to give Carlmont streak Tom Jent a run for the money in the league finals next month, won his fourth race of the campaign. He covered the 1.9 miles in a cool 9:11. Davila, in his first year on the varsity, came in second in 9:14. Gary Romriell of the Tribe got up for third in 9:54. Others scoring for Jeff were Bud Pollard, eighth and Dan Anderson, ninth.

Estigoy's lone loss this year came against Carlmont when he took fifth due to a slight cold. A much improved runner, Andy came in 19th in the PAL finals a year ago. Davila, up from the frosh-sophs, got second in league showdown last season.

Competing unofficially until the PAL meet, the Indians lost their opener to San Mateo, beat Capuchino, and then stopped Burlingame after losing to Carlmont.

Jefferson met South City's harriers yesterday in a three-way dual meet involving Westmoor's squad.

DC REDLEGS COP LOOP LEAD WITH 17-7 LANDSLIDE

Daly City Redlegs clouted the El Amigo Club, 17-7, Sunday to take over first place in the Class A National Winter Baseball League with a 2-0 record.

Matching their runs with 17 hits, the Redlegs were paced by first sacker Bill Souza's two homers over the leftfield fence. He ended up with a perfect five-for-five. Larry Kennedy and George Pedroni followed in the hit parade with four blows each. Both infielders rapped out doubles with the bases jammed.

Flinger Rick Wayne had little trouble checking the losers on six hits. The Spaniards used only one hurler in the landslide.

The Redlegs meet co-runnerup San Francisco Parlor No. 49 Sunday morning in an 11:15 battle at Rossi park. The Parlormen and Capitol Glass horsehiders trail the Redlegs with 1-0 records.

First win for the Redlegs two weeks ago was a 6-4 nod over the Swiss American nine. Wayne Dunham authored the victory with a six-hitter. Pedron's triple unloading the sacks was the big blow. He also tapped a single for two for four.

Caps' Jerry Scatini Gets 'Player Of Week'

For all-around efforts in Capuchino's 39-6 lacing of San Mateo Saturday night, Mustang halfback Jerry Scatini has been named North PAL "Player of The Week" by Peninsula sports scribes. A junior, Jerry caught two touchdown passes for 68 yards, intercepted three Bearcat aerials to halt scoring drives and averaged better than seven yards a carry.

Menlo-Atherton's Hal Turner, who rambled for four tallies in the Bears' 33-0 rout of Sequoia, was judged tops in the South PAL. Turner gained 79 yards on 12 hauls and his 24 points set a new school record.

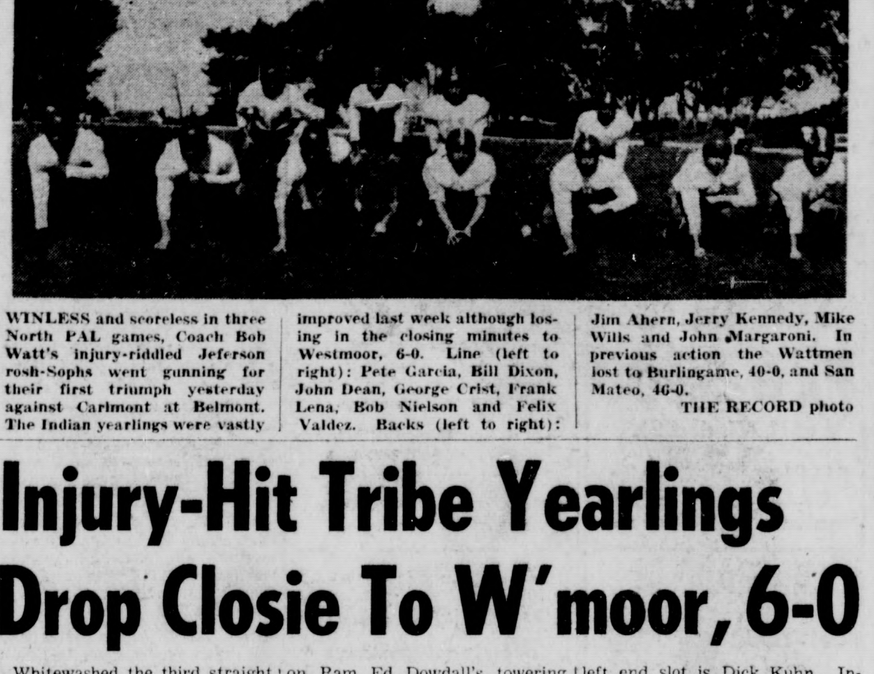
EARLY RALLY GIVES TILEMEN EASY WIN OVER BRAVES, 7-1

A four-run outburst in the first inning off Dennis Draper was all Pomona Tile needed Sunday afternoon as they rolled to a 7-1 decision over the Daly City Braves.

Draper was yanked after the deluge which included five hits, two of them triples and one a double. Dick Geno finished in relief and gave up five singles.

Lone Brave hits were by Paul Clima, Lou Beviloqui and Draper.

The Braves meet the Tilemen again this Friday night under the Funston arcs at 7:30. Sunday morning they return to league action against Fisherman's Grotto No. 9 in Seals stadium at 10 o'clock.



WINLESS and scoreless in three North PAL games, Coach Bob Watt's injury-riddled Jeferson rosh-Sophs went gunning for their first triumph yesterday against Carlmont at Belmont. The Indian yearlings were vastly improved last week although losing in the closing minutes to Westmoor, 6-0. Line (left to right): Pete Garcia, Bill Dixon, John Dean, George Crist, Frank Lena, Bob Nielson and Felix Valdez. Backs (left to right): Jim Ahern, Jerry Kennedy, Mike Wills and John Margaroni. In previous action the Wattmen lost to Burlingame, 40-0, and San Mateo, 46-0.

Injury-Hit Tribe Yearlings Drop Closie To W'moor, 6-0

Whitewashed the third straight time, Coach Bob Watt's injury-weakened Jefferson Frosh-Sophs managed to return to the dignity trail last Thursday in losing a paper-thin 6-0 decision to Westmoor on the Mission avenue campus.

The Indian yearlings succumbed to a dogged 70-yard Ram march in the closing minutes after a roughing-the-kicker penalty on fourth down gave their rivals new life in the tight contest. Ram QB Jim Heick, a nifty passer and pitchout artist, capped the push with a plunge from the two.

Fairly Close

The scrap was even-stephen most of the way as Westmoor drove to the Jeff 30 and the Indians got to the Ram 35 on first half assults. The Wattmen, however, were cramped deep in their own terrain most of the afternoon on Ram Ed Dowdall's towering punts.

Watt again liked the work of his two dependables, end Pete Garcia and fullback Jerry Kennedy. But his woes mounted after the tiff on learning that quarterback Roger Stahl is no longer eligible for the team. Three weeks back, starting QB Ed Lewkowitz was put out for keeps via a broken wrist against Burlingame. Other casualties on broken bones were guard Larry McGinnis and end Tim Yager.

Moves Flanker

Attempting to get a capable QB replacement, Watt this week moved Garcia, a standout thus far, to the QB post. Behind him is Mike Wills. Moving into Garcia's left end slot is Dick Kuhn. Injuries have sliced Watt's club down to 32 eager but light competitors.

Carlmont was next on the Jeff list yesterday afternoon (Thursday). Watt is still optimistic about denting the scoring column, but isn't going overboard. Before Westmoor, the Injuns fell to Burlingame, 40-0, and San Mateo, 46-0.
